### Feed Back Analysis for the Year 2022-23

A group of philanthropists of Veerashaiva community established Veerashaiva college in 1945 with a motto to provide quality education at affordable cost to every section of society. It has encouraged female education right from its inception. It has rendered a recognizable service in the field of education. The institution has completed 79 years by providing a meaningful service and established a milestone in several aspects. Ethics and values are being taught to the students along with prescribed curriculum. The institution focuses on creative critical and innovative thinking and development of job and communication skills. It has produced several thousands of highly skilled and well equipped youths in its eight decades history. The students studied in the institution have been working across the country and the world as well. Some of the students have made name at the international level through their research and yeoman service.

Collection of feedback is given top priority in the agenda of the institution. Feedback is collected in order to understand the impact of teaching and learning activities on the career and life of students community. Another objective is to improve curriculum implementation and enrichment. Collection of stake holders opinions about all the aspects of teaching and learning helps a lot in creating and sustaining quality. The feedback committee has taken 20% samples from students. About 20 samples are randomly selected from employers, parents, alumni and 40 samples from teachers. The response of stake holders is collected through online structured questionnaire. Collected data is analyzed by using data analysis tools.
