ABOUT THE VEERASHAIVA COLLEGE

"Service to mankind is service to GOD" is a noble saying. There are different kinds of services. Being in the field of education, the Veerashaiva Vidyavardhaka Sangha identified the necessity of a degree college in Bellary region to cater to the needs of the people in higher education. Veerashaiva College has completed Eight decades of its existence. It was inaugurated on 1945 by the founding father, Sri. Yechi Reddy Mahabaleshwarappa. Now it has 04 P. G. Teaching courses in the campus along with all science, commerce and arts disciplines.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry was established in 1950, since then the department has maintained high academic standards throughout. Presently, the department has five doctorates as faculty and Ph.D research scholars and we have collaboration resource person from esteemed Institution like IISc, IIT and Universities in India. The department of chemistry recognizes the importance of research in developing future technologies and applications of chemical research. Our research priorities address the challenges faced by India in particular and the world in general.

PLACES OF INTEREST

There are many interesting places that are worth to visit in and around Ballari.

ABOUT THE SEMINAR

The Seminar will feature different plenary, invited and contributed lectures of all branches of Chemistry, Biology and Material Science. This programme will provide a platform for participants to share and discuss recent findings of their research covering all topics related to Chemical Biology, Material Science and related fields. We look forward to welcome, academicians, researchers and Industrialists to participate in the Seminar.

SCOPE OF THE SEMINAR

1. The Seminar will provide an opportunity to meet various experts and exchange their views and knowledge.
2. Presentations by experts in different research areas will highlight the innovative developmental work in Chemistry, Biology and Material Science.

COORDINATOR,
Internal Quality Assurance Cell (IQAC),
VEERASHAIVA COLLEGE,
BELLARY-KARNATAKA.

ACCOMMODATION

Accommodation will be arranged in hotels on request basis with hotel charges. Please send your registration form along with the fee and accommodation request.

CALL FOR PAPERS

Papers are invited on mentioned themes which are related to Chemical, Biology, Materials Science, Engineering, Medicinal and Pharmaceutical chemistry. Polymer and Environmental Science. Abstract/Research papers will be accepted in softcopy of minimum 150 words to the registered mail ids.

WHO CAN PARTICIPATE

Lecturers, Academicians/ Research Scholars, Students of all Chemical, Biological, Medicinal chemistry, Environmental, Materials Science and Engineering can submit their papers and attend the conference.

The seminar proceeding will be published with ISBN Number:

ISBN:

Prizes will be given for the Best Oral/Poster Paper Presentation.

IMPORTANT DATES

Abstract Submission: 07th July 2023.

(Acceptance notification within two working days)

Last date of abstract Submission: 1st August 2023.

Last date of Registration: 1st August 2023.

(Spot registration is also provided).

REGISTRATION AND DELEGATE FEE

| | |

One day National conference is organised by Dept of Chemistry
A REPORT On One Day National Conference on RECENT ADVANCES IN
CHEMICAL BIOLOGY AND MATERIALS ENGINEERING (RACBME-2023)

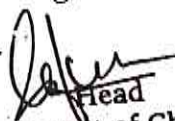

04th August 2023

A one day national conference on, "Recent Advances In Chemical Biology and Materials Engineering (RACBME-2023)", was held at Veerashaiva College, Ballari, Karnataka, India, on 04th August 2023, organized by Department of P.G. Studies in Chemistry and Department of Chemistry. Dr. T. R. Ravikumar Naik, Assistance Professor, Department of Chemistry, Veerashaiva College, Ballari, was the Convener of the conference. Sri. Gonal Rajashekar Gouda, Treasurer, V. V. Sangha, Ballari, the Chief Guest. Sri. Darur Santhana Gouda, Joint Secretary, V. V. Sangha, Ballari and Chairman, College Governing Council (CGC), Veerashaiva College, Ballari, president of the conference. The Keynote speaker, Prof. K. S. Lokesh, Dept of Chemistry, VSK University, Ballari. Dr. G. Manohara, Principal, Veerashaiva College, Ballari were inaugurated the conference and released Souvenir of the conference in the ISBN proceeding format.

There were about 215 participants' registrations from various research / academics / Institutes / Universities / Colleges. There were 04 invited talks delivered by highly respected academicians from leading institutions / Universities and a oral/ poster session for students.

Dr. T. R. Ravikumar Naik, the Convener of the Conference, welcomed the delegates, participants and the Students and explained the idea behind the theme of conference as a platform to facilitate deliberations which will provide knowledge of changing role and critical place of chemistry in science and technology.

College governing council members Sri. Shiva Ramesh, Sri. Gangavathi Veeresh, Sri Kare Gouda, Sri. D. Vishwanath, Sri. Venkatesh Gouda, were presented during the event. Teaching, non-teaching staff and students were participated in this programme.

Shri Gopal Rajashekhar Goud
Chairman,
Veerashaiva College, Ballari.

Dr. G. Rajashekhar
Principal
Veerashaiva College,
Ballari.

About the College

Veerashaiva Vidyavardhaka Sangha, Ballari is a pioneer in starting educational institutions in the backward districts of Northern Karnataka much before independence. Its contribution to the field of education is highly significant. The sangha established its first HEI, Veerashaiva College in 1945. It believed in quality. It has produced nationally and international reputed scientists, writers, administrators, people's representatives, teachers, doctors, engineers and so on. Curricular, co-curricular, research and extension activities have been implemented in a beneficial manner by using well-built infrastructure for the complete and perfect growth of the students.

Department of Sociology was started in the year 1986. Right from the establishment of the department, it has actively engaged itself in creative activities. It has been organizing national and state level seminars and workshops on various themes. Students are always involved in personality and capacity building activities.

About Ballari :

Ballari is the district head quarter situated in the eastern central part of Karnataka. It has direct links to the capital cities like Bengaluru & Hyderabad with well connected air, rail and road routes within a distance of 300Kms. It has also become a hub of high grade iron ore mining and export centre. Ballari is also popular for Jeans and Garments apparel production. Hampi, the world famous heritage sites of Vijayanagara Empire is just two hours' drive from here. Atal Bihari Vajpayee National Tiger Park is built recently near Kamalapur. Sloth Bear sanctuary is sprawling along hillrocks of Daroji and Gudekote. The city is famous for its geographical wonder of a huge hillock of single granite rock, whose top is adorned with a beautiful fort. The sites of Neolithic age are situated in Sanganakal Village. The district has got historical economic and cultural importance.

About KSOU:

KSOU Mysore was established in the year 1996 by the act of Assembly. The University aims at providing quality education at affordable cost under the slogan "Higher Education to Everyone and Every Where". Lakhs of students have acquired their degrees in different streams in its rich history of 24 years. Interests of lower class women are protected in the form of giving 25% concession in tuition fees. Research activities have been accorded much importance in the academic arena. The infrastructure created in the main campus and regional centres with all the advanced learning facilities lays a strong basis for the better career of the students. The alumni of the University have been working in superior positions both in India and abroad.

COORDINATOR,

Internal Quality Assurance Cell (IQAC),
VEERASHAIVA COLLEGE,
BALLARI - 583 104

About the Seminar:

A major section of the Indian Society was excluded from the main stream of life for several centuries in the name of in human practices. In Indian history, great social and religious reformers made systematic efforts to create awareness among the people and liberate them from socio-cultural clutches. After independence, a few leaders continued this struggle consistently for the well being of the depressed classes. A veteran political leader Babu Jagjeevanram is one among them. His role in Indian freedom movement is not only significant but also incredible. Being a close associate of Indian National congress, he sincerely tried to include measures of untouchables' welfare in the agenda of congress. He contributed to the improvement of the Indian society with his rich knowledge and experiences. The mission of his life was to empower the lower castes in all the respects. When he was agriculture Minister, he devised his own strategy to increase the agricultural products and make India self reliant in food grains. It was because of his efforts India stopped importing of wheat from USA in 1951.

He ignited the minds of untouchables to fight for social justice and equality. His emphasis on providing education to dalits boosted their morale and enabled them to come out from centuries old caste imposed restrictions and taboos. His significant role in the implementation of reservation policy is unforgettable. It was he who spent his whole life for the upliftment of the marginalised sections and particularly the scheduled castes and scheduled tribes.

In this background, it appears imperative to review the implementation of the laws made and the progress achieved so far and also the bottlenecks to be addressed in both these areas. Discussions and debates are needed to be initiated for the better understanding and adaptation of Babu Jagjeevanram's dreams, designs and ideals.

Some Themes:

1. Caste, Poverty and Social inequalities.
2. Caste Eradication and Social security
3. Poverty and Social Justice
4. Reservation Policy and Social equality
5. Privatisation of Education hinders social justice
6. Globalisation and Social Equality
7. Contributions of Babu Jagjeevanram to Social Justice and Equality
8. Role of Babu Jagjeevanram in the development of Indian Society
9. Babu Jagjeevanram as a successful leader of Dalits.

Paper Submission:

The abstract (300 words) shall be in MS Word / Times New Roman format. The papers may be submitted to the email address iqacvsc@gmail.com.

The selected papers will be published in ISSN journal with impact factor and will be released on the seminar day.

Important Dates:

Last Date for abstract submission : 20.03.2020
Last Date for intimation of acceptance : 21.03.2020
Last Date for full paper submission : 23.03.2020

Organization of One Day National Seminar by the Department of Sociology in Association with KSOU, Mysore.

A one Day National Seminar was organized by the Department of Sociology in Collaboration with KSOU, Mysore under the theme "Contribution of Babu Jagajeevanram to Social Equality and Social Justice" on 03.02.2021. The Seminar was inaugurated by the Vice Chancellor of VSK University Prof. Siddu P Algur. After lighting the lamp, he delivered his inaugural speech in which he touched upon the views of Babuji on Social Justice, Social Equality, Removal of Untouchability and his role in Green Revolution. He said, Babuji was a great patriotic and believed in serving people with selflessness. Babuji has sincerely and whole heartedly involved himself in the Indian freedom movement. Babuji was the only parliamentarian who has served in various capacities for more than 04 decades in the Indian Politics. The aim of Babuji's life was to treat everybody equally without any kind of discrimination. His struggle for social equality and social justice is an ever remembering one. Honourable Vice Chancellor has also opined that, establishment of social equality is possible only when opportunities and privileges are equally accessible to all the sections of people. Dr Sheela Khare, St. Philomena's college, Mysore has delivered Key note address. In her address, she focused on the self-less role played by Babu Jagajeevanram in building a strong nation. Social Inequality prevailed in the Indian society led to social tensions and conflicts which further caused social disorder. Poverty, deprivation and gender inequality are the manifested forms of social inequality. At the end of the speech, she predicted that if the prevailing attitude of the people and the social structure has not changed, the dream of egalitarian society remains ever as a dream. Dr G Raajshekhar, Principal, made presidential remarks on this occasion. He said, the views of Babuji towards religion are

BALLARI - 583 104

harmonious ones. Babuji asserted that education is instrumental to create awareness among the untouchables and to bring about social equality and to empower the downtrodden.

In the first technical session, Dr Mohandas K, Department of Political Science, VSK University, Ballari spoke on the 'Reservation Policy and Social Justice'. Dr Veerendra Kumar N, Chairman, Department of Sociology, VSK University, Ballari, delivered a talk on 'Eradication of Caste and Social Security'. In the last session, Dr Shantha Naik, Chairman, Department of English, has delivered a lecture on the topic 'Contributions of Babu Jagajeevanram to Social Equality'. Sri Halkundi Satish, Member, College Governing Body released the special issue of an International Journal entitled Chalukaya Journal of Social Science with the seminar papers published. About 202 delegates participated in the seminar. Dr R Sharanamma, Director, Babujagajeevanram Centre, KSOU, Mysore, has delivered introductory speech. Sri Siddaram G Mulaje, organizing secretary, compeered the programme. Smt Rajashree Patil, proposed the vote of thanks. Dr H.B. Jalajakshi, welcomed the guests and the delegates. Mr Madhusudhan and his team presented prayer song and Nadaageeta.

In the evening, programme, Prof Shashikanth S Udikeri, Registrar, VSK University, Ballari has delivered valedictory speech. He described Babuji as the pioneer of green revolution. The sincere efforts of Babuji in solving the food problem is engraved with golden letters in the Indian history, he said. In his concluding remarks, he emphasized that Babuji's innovative thinking on social reform, social equality and dignity of man is one of the basic principles of his life. The principal of the college Dr G Rajashekhar presided over the function. While addressing the participants, he stated that the struggle of Babuji

V.V. Sangha's
Veerashaiva College Ballari
 (Affiliated to VSK University Ballari)
 Reaccredited by NAAC with 'B' Grade in 3rd Cycle
Department of Biotechnology

Organizes
National e-Webinar on
ROLE OF BIOTECHNOLOGY IN SUSTAINABLE DEVELOPMENT : Date: 23-01-2021

ABOUT THE COLLEGE

Veerashaiva College, Ballari, a pioneer institution of V.V. Sangha, Ballari, is established in pre-independent era. It was the only Degree College at that time for the entire region of Karnataka, which was under the rule of Nizams of Hyderabad. Over the years of times' passage the College has grown to meet several disciplines of educational needs with fully equipped infrastructure, well-furnished spacious classrooms with ICT facility, laboratories and library in addition to the learned and experienced faculty. The College is serving the people on the strong foundations of commitment and dedication to shape the future of millions. To add the luster of the College, many alumni of this College have established their name and fame beyond the national barriers and brought laurels to the College.

ABOUT THE DEPARTMENT OF BIOTECHNOLOGY

The Department of Biotechnology has to be with the highest quality of innovative technologies which can address the challenges and needs for the holistic development of the nation. The application of its research and development should reach all the stakeholders of the society for their well-being. To provide the graduates with the knowledge based skills needed for high quality of innovative technology as well as advanced research in the field of Biotechnology and to make them potential with a broad spectrum of knowledge in order to prepare them for diverse and competitive careers in research and application

ADVICE TO STUDENTS
The Veerashaiva College Ballari established by V.V. Sangha in 1945, a prime educational institution, is striving hard to cater to the needs of the region over the period of time. The institution delivers qualitative higher education to the Urban as well as Rural folk. It also aims at creating awareness towards national integrity and social responsibilities. The College concentrates on teaching-learning centered practices for overall development of student community. The eminent scientists like Prof. U. K. RAO, former Chairman of ISRO, Dr. SYED BIRABIR, first Indian ever to get D.Sc., in Nuclear Medicine in U.S.A. and Smt. SUDHA MURTHY, Chairperson, INFOSYS Foundation, Bangalore are outstanding Alumni of our College.

All are Welcome online

**National Webinar
On
Science Behind NanoTechnology
Organised by
Department of Physics, Veerashaiva College, Ballari, On 12/08/2020, at
11 AM
Resource Person- Prof, S.M. Shivaprasad**

The Department of Physics Organised a National webinar on the topic **Science behind Nanotechnology**. Looking at nanotechnology as a multidisciplinary technology having Physics, science and engineering at nano scale. As Physicist Richard Feynman in 1959 itself said and as quoted "There is a plenty of room at the bottom", it is remarkable to see, and Nanomaterials were used from centuries in glass and ceramic painting of monuments and churches.

Nanotechnology has entered every field and has revolutionized applications, in nano scale films, eye glasses, computers, camera displays, smart fabrics etc. Now it is the need of hour to understand the science behind nanotechnology to get more research and industry sectors.

The resource person for this national webinar **Prof, S.M. Shivaprasad**, Director, Higher Education Academy, Dharwad and Senior Scientist JNCASR Bengaluru discussed for about One and a half hour such that any common person could understand it. His lecture was simple, highly informative and equipped with latest research in his field and made the audience of the webinar marvel at its vast applications in diverse fields. The webinar was useful for students, faculty, researchers, post research fellows in diverse sciences.

The webinar was inaugurated by **Prof. Siddu .P. Algur**, Vice Chancellor of Vijayanagara Shri Krishnadevaraya University, Ballari. **Ms A .Shirly Jones**, Organising Secretary, HOD Of Physics of the college welcomed the chief guests, resource person, **Shri G. Rajashekhar Gouda**, Chairman of VSC, **Dr G.Rajashekhar** Principal of VSC, who presided the webinar. **Dr K. C. Sajjan** proposed the vote of thanks.

The webinar was attended by 100 members (mostly Faculty) out of 123 registered.
E- Certificates were given to all the participants.

Report on National webinar :

Nano-Technology is a multidisciplinary technology having science, Physics and engineering at Nano scale Physicist Richard Feynman. The father nano-technology said that "There is a plenty of room at the bottom". Nano materials at nano scale with enhanced properties like, higher strength, lighter weight, greater chemical activity, higher control over light spectrum are replacing large scale counter parts. Nano technology has entered every field and has revolutioned applications in computers, camera displays, anti microbial, anti-reflective, smart fabrics, nano scale sensors etc.

The resource person professor S.M Shivaprasad, director Karnataka state higher education academy Dharwad have highlighted and the webinar had quality dialogue at the end. There were 103 participants in the webinar, mostly faculty and researchers, out of 123 registered E-Certificates were given to all the participants.

Bio-data of Prof. S.M. Shivaprasad Ph.D, D.Sc

Director, Karnataka State Higher Education Academy, Dharwad
and
Professor, International Centre for Materials Science
Jawaharlal Nehru Centre for Advanced Scientific Research, Bengaluru

Personal: Professor S.M. Shivaprasad was born in Bengaluru in 1957 and is the son of the literary couple Late Prof Vrushabhendra Swamy and Late Prof Lalithamba Swamy of Karnatak University, Dharwad.

Scholastic:

- D Sc (Honoriis Causa) VSK University, Ballary.
- Post-Doctoral Studies: CSIR fellow at Indian Institute of Technology (IIT)-Delhi
- Commonwealth Post-Doctoral Fellow, Dept of Physics, University of Sussex, UK
- Ph D (Thin Films), Dept of Physics, Karnatak University, Dharwad
- M Sc (Solid State Physics): First Class, Karnatak University, Dharwad
- B Sc (Physics Major): First Class, Karnatak University, Dharwad

Professional:

- **Director:** Karnataka State Higher Education Academy, Dharwad (since 2017).
- **Professor:** Jawaharlal Nehru Centre for Adv. Scientific Research (since 2007).
- **Scientist:** National Physical Laboratory, New Delhi, 1985 to 2007 (Chief Scientist and Head, Surface Physics and Nanostructures Group).
- **Post-doctoral Research:** Indian Institute of Technology, Delhi and Univ. of Sussex, UK
- **CSIR Scientific Pool Officer:** National Physical Laboratory, New Delhi (1985)

Administrative:

- **Director,** Karnataka State Higher Education Academy, Dharwad, (since 2017).
- **Co-ordinator,** International Centre for Materials Science, JNCASR, Bangalore (from 2007 to 2017).
- **Head,** Surface Physics and Nanostructures Group, National Physical Laboratory, Delhi, (Scientist at NPL from 1985 to 2007)
- **Co-ordinator** for Commonwealth Science Conference, Bangalore, 2014

Fields of interest:

COORDINATOR,
Internal Quality Assurance Cell (IQAC),
VEERASHAIVA COLLEGE,
BELLARY-KARNATAKA.

Chairman
IQAC
Veerashaiva College,

- 
1. Surface science, thin films and nanostructures of semiconductors. Elucidated on metal-metal and metal-semiconductor interfaces, III-nitride films and nanostructures
 2. Promotion of education in Higher Education Institutions through teacher training programs of pedagogy, personality development, ICT, education research, outreach, etc. Designed and implemented faculty training program for 1800 GFGC teachers under KSHEA. Also trained several Principals, Librarians, Non-Teaching Staff

Research Publications:

- 280 research papers in International journals
- 20 research papers in National journals
- 240 Conference Presentations
- 445 Invited Talks and 3 Authored/Edited Books

Visiting positions:

- United Nations (UNIDO) Fellow at National Bureau of Standards, USA (1986-87)
- Visiting Scientist at Rutgers University, USA (1990-92)
- United Nations (UNIDO) Fellow at Tohoku University, Japan (1985-86).
- Visiting Scientist at University of Ulm in Germany (1999-2000).

Awards:

- Young Scientist Award from the President of India (1992)
- Hon. Doctorate D.Sc (hc): from VSK University, Ballary, (2016)
- C.N.R. Rao Oration Award (2010).
- Dr. Raja Ramanna Karnataka State Govt. Senior Scientist Award (2013).
- Outstanding Scientist award from CSIR (NPL) (2005),
- Medal Lecture Award (2006), from Materials Research Society of India, Lucknow
- Superconductivity and Materials Science Prize, Materials Res Society of India, (2012)
- Distinguished Lectureship Award, Materials Res. Society of India, IIT Bombay (2016).

Fellowships:

- Commonwealth Post-Doctoral Fellowship of London (1 year)
- BOYSCAST fellowship of DST, Govt of India (1 year)
- Rutgers University, Visiting Researcher Fellowship (1 year)
- University of Ulm, Visiting Scientist Fellowship (1 year)
- United Nations UNIDO fellowship from Vienna (twice of 6 months each)
- RAK-CAM International Fellowship from UAE (3 years)
- National Merit Scholarship, Govt of India

Recognitions:

COORDINATOR,
Internal Quality Assurance Cell (IQAC),
VEERASHAIVA COLLEGE,
BELLARY-KARNATAKA.

Chairman
IQAC
Veerashaiva College,
BALLARI - 583 104.

- Indian Representative to International Union of Vacuum Sci. Tech. Applications, USA
- Vice President of Materials Research Society of India (MRSI), India.
- Advisory Board of BEL-Optoelectronics for the development of Night Vision devices
- Advisory Board of Srisol Research Foundation as Consultant for smart materials.
- Representative to the World Materials Research Institutions Forum, Japan
- Representative to Europe-India Cooperation for Nanotechnology, Netherlands.
- HEC State-level Advisory Board Member for RUSA
- Member of LRC of Defence Materials Res & Dev Establishment, Kanpur
- Member of National Council for Teacher Education, New-Delhi.

Membership to professional bodies:

- Materials Research Society of India
- American Vacuum Society
- Indian Physics Association.
- Indian Vacuum Society
- Indian Society for Analytical Scientists
- Indian Science Congress
- Luminescence Society of India
- Planning Committee of the National Science Centre
- Planning Committee of the Vishweshwarayya Science Museum
- National Council for Teacher Education
- Swadeshi Vignyana Parishat

Major Sponsored Research Projects Undertaken:

- ⇒ Physico-chemical Properties of Nanostructured Materials, Nanomission Project of DST, Principal Investigator, Cost: Rs. 15.5 crores.
- ⇒ Setting up Molecular Beam Epitaxy and related facilities at JNCASR for III-Nitride growth and characterization. Principal Investigator. Cost: Rs 10.5 crores
- ⇒ "Setting up of an Ultra-high resolution Electron Microscopy Laboratory" at the ICMS of JNCASR. DST Infrastructure Project 2008. Principal Investigator, Cost: Rs. 38 crores
- ⇒ "Surface Modifications Induced by Metal Adsorption on Semiconductor Surfaces", CSIR Young Scientist Awardee Project (1994-1999), at NPL, Principal Investigator, Rs. 50 lakhs.
- ⇒ "Establishment of Surface Analytical Facilities", UNDP/UNIDO at NPL, (1990-96), Member, 2.00 Million USA.
- ⇒ "Interaction of Small Gas Molecules with Metal/Semiconductor Surfaces' Indo-US collaborative project (with NIST, USA) (1989-1994), Member, Rs. 80.00 lakhs
- ⇒ "Surface Reconstruction at Metal-Metal Interfaces", Indo-Russia Project, Principal Investigator, Rs 60.00 lakhs.

Academic Mentors:

- Bharat Ratna Professor C.N.R. Rao, JNCASR, Bengaluru.

COORDINATOR,

Internal Quality Assurance Cell (IQAC),

To: veerashaivably <veerashaivably@gmail.com>

Dear Mr Shivaprasad sir,

we, the department f physics would
like to conduct a webinar sir,probably on the fallowing topics,

1. ADVANCED Smart materials.or
- 2.Nanoscience in medicine.

Actually we request you to suggest any latest topic in
physics.also we are planning to have on 3rd or 4th August, but the
dates can change as per your convenience. we request you to deliver
the key note address.Expecting your acceptance and cooperation,
with regards nd Best wishes

Objective:

Today digitally connected allows millions of us to work and learn from home. But what about those without access to critical ICT tools? We discuss how digital learning is evolving, and introduce Ericsson Educate, which addresses digital inequality and the rapidly changing skill requirements for a world increasingly shaped by ICT.

Sharing of thoughts:

The COVID-19 outbreak continues to disrupt school and education, not just because it demands an evolution in online learning, but because it demands revolution to close the dangerous gap of digital inequity in learning. COVID-19 has rapidly rewritten all our realities, demanding that we learn as much and as fast as we can. For this education to happen, you need connection, which provides continuity and virtual access – both of which are vital. When the digital difference between ‘have’ vs. ‘have not’ becomes ‘know’ vs. ‘know not’, everyone’s shared future is at risk.

The adoption of smart classroom systems by schools is transforming the traditional education system. The sudden switch is not only limited to private schools but even a number of government schools have started running smart classes. Though the crisis is devastating, it is making our schools and even colleges, technologically advanced. No doubt, students and teachers have had to make bigger adjustments as learning has always been in classrooms. Moreover, many of them are not well equipped with technology tools to avail of remote learning.

One Day National Webinar on Natural Remedies from Natural Medicinal Plants

Veerashaiva College of V.V.Sangha, Bellary on 29.07.2020 organized a National Level One Day webinar by Department of Botany on Natural Remedies from Natural Medicinal Plant Sources. Prof. A.H. Rajasab, Retired Chancellor, Tumkur University, Tumkur participated as the inaugural speaker in the program and explained in detail about the identification of locally available medicinal plants and how to use them scientifically in daily life. Another keynote speaker, Dr. Madhavanaidu, Scientist, Central Food Research Institute, Mysore shared many scientific ideas on the effect of spices on human health.

Dr.G.Lingappa Professor, Gulabarga University, Kalaburagi participated as another speaker and explained the importance of chemicals produced by fungi in treating human natural and diseased yeasts. Finally, Dr. Kavita Sagar, Assistant Professor, Vijayanagara Sri Krishnadevaraya University, Bellary explained the process of using the medicines produced by high flowering plants in human life.

Mr. Gonala Rajasekhara Gowda, Chairman of the Board of Management of the college, who presided over the program, spoke and expressed his opinion that in today's Corona crisis, the medicinal plants that have been used traditionally are very effective and it is the best way to follow the herbal desi system without relying too much on chemical drugs.

Principal of the college, Dr. G. Rajasekhara welcomed all the guests. The program was organized and felicitated by Prof W Sharanappa, Head of Botany Department., Dr. D. Nagesh Shastri, Dr. K. C. Sajjan, Dr. G. Manohar and Dr. Ravikumar Nayak were present in the program.

Program Name: One Day National Webinar on Natural Remedies from Natural Medicinal Plants

Department of Sociology Organizes National e Webinar on Socio-Economic Effects of COVID 19 and Remedies

COVID 19 outbreak has posed a severe threat to the entire world by causing innumerable problems. About 167 countries have been suffering from this pandemic in various forms. Its impacts are visible across the sectors globally but marginalized sections, aged persons, women, and children are worst affected in India. It is killing people, spreading human suffering and disturbing people's lives. The COVID-19 is a human, economic and social crisis. It has sparked fears of an impending economic crisis and recession ever witnessed in the last 75 years. Homes which were already unsafe along with families living in poor and substandard conditions have added on to the social inequalities like gender-based violence and child abuse, lack of security, exclusion, discrimination, unemployment in the medium and long term. Millions of people living below the poverty line are struggling for basic needs like food and shelter. According to a recently conducted survey, about 66% of the people in India have been getting only 2 times meal in a day since the beginning of COVID 19.

If COVID 19 is not properly addressed through policy it would create the ever seen worst situation on the earth. Social distancing, using masks, maintaining immunity of the body, meditation, yoga etc., are the effective methods to contain the pandemic. However, vaccine is to be invented as early as possible.

At the same time, it is quite necessary to provide basic income security at all times. Once people adjust to changing life styles and engage in productive activities by following preventive measures, their self capacities and confidence level increases. Then, shocks of pandemic can be managed and overcome successfully.

In this backdrop, the present eWebinar is imperative to focus on different faces of pandemic, effective nature, magnitude, abuses and remedies.

Department of Sociology

One day National Level e-webinar on Socio-economic Effects
of
COVID-19

A one day national level e-webinar was organized by the department of sociology under the theme "Socio-Economic Effects of COVID-19" on 28.07.2020. The e-webinar was inaugurated by the chairman of the college Sri Gonal Rajashekhar Goud. He spoke about different miserable conditions arised in society due to the spread of COVID-19. Dr Basavaraj Benni, Dean, Social Science, VSK University, Ballari, delivered key note address. He has thrown a sufficient light on " How the pandemic caused socio economic problems and also covered various welfare schemes implemented by the government to protect the interests of those people who are out of social protection system. Dr Veerendra Kumar N, Chairman, Dept of Sociology, VSK university, Ballari delivered an elaborative speech on the social effects of COVID-19 in technical session-II.

In 3rd session, Dr Madhavini S Katti, Dept of economics, VSK University, Ballari, spoke about economic effects of COVID-19. In the last technical session, Dr Mallikarjun Manpade, Dept of sociology, Janapada University, Gotagodi, spoke about measures to be undertaken to rejuvenate the deteriorated economic and social system by fighting against COVID-19.

Dr G Rajashekhar, Principal, made concluding remarks. Sri Siddaram G Mulaje, Dept of Sociology executed the programme and presented vote of thanks.

DEPARTMENT OF P. G. STUDIES IN CHEMISTRY and DEPARTMENT OF CHEMISTRY

National webinar on

"IMPORTANCE OF ANTIVIRAL DRUGS IN 2020": Date: June 12-06-2020

National webinar is organized by Dept of P. G. Studies in chemistry and Dept of chemistry, Veerashaiva College, Ballari, on 12.06.2020. This Programme is inaugurated by Prof. K. Ramesh, Registrar evaluation, VSK University, Ballari. He delivered the inaugural speech in which he emphasised that, peoples are aware that, today, and the whole world is suffering from covid-19. Coronaviruses are a large family of viruses which may cause illness in humans and cause serious in breathing and in may cause death also. Currently there is no such virus in the market to depress this covid-19 in present situation. In this regard this webinar opened the doors to discuss new antiviral drugs and their drug action.

Dr. G. Rajashekhar, Principal VSC, delivered presidential speech. He spoke about the successful recovery of covid-19 patients in India and whole world. The effort of chemist and biologist for the discovery of new antiviral drug in this situation is priceless.

Prof. G. Krishnamurthy, Dept of Chemistry, Kuvempu University, Shimoga, delivered a First Technical talk on the theme of Antiviral drugs and their mechanism of action. Followed by this Dr. T. H. Suresha Kumara, Associate Professor, UBDT College, Davanagere, VTU discussed about the Synthesis of antiviral drugs and different types of antiviral drugs. During the discussion he mentioned that, we can make new molecules which can cure this pandemic disease in the current situation. In the last session, Dr. Kiran Kumar, assistant Professor, Dept of Bioinformatics and Biotechnology, JSS academy Mysore discussed the Viral infections and the binding with the proteins. He discussed the types of corona virus and their biological effects on human health. He also motioned how we can suppress the replication of this virus in human body.

Sri. Gonal Rajashekharagoud, Chairman, College Governing Body, delivered Conclusive talk. He started that, till to date, their no such antiviral drug in the market to suppress this covid 19 in whole world. The given antibiotics are not work against viruses; they only work on bacterial infections. In this regard

COORDINATOR,

Internal Quality Assurance Cell (IQAC),
VEERASHAIVA COLLEGE,
BELLARY-KARNATAKA.

Chairman

IQAC
Veerashaiva College,
BALLARI - 583 104.

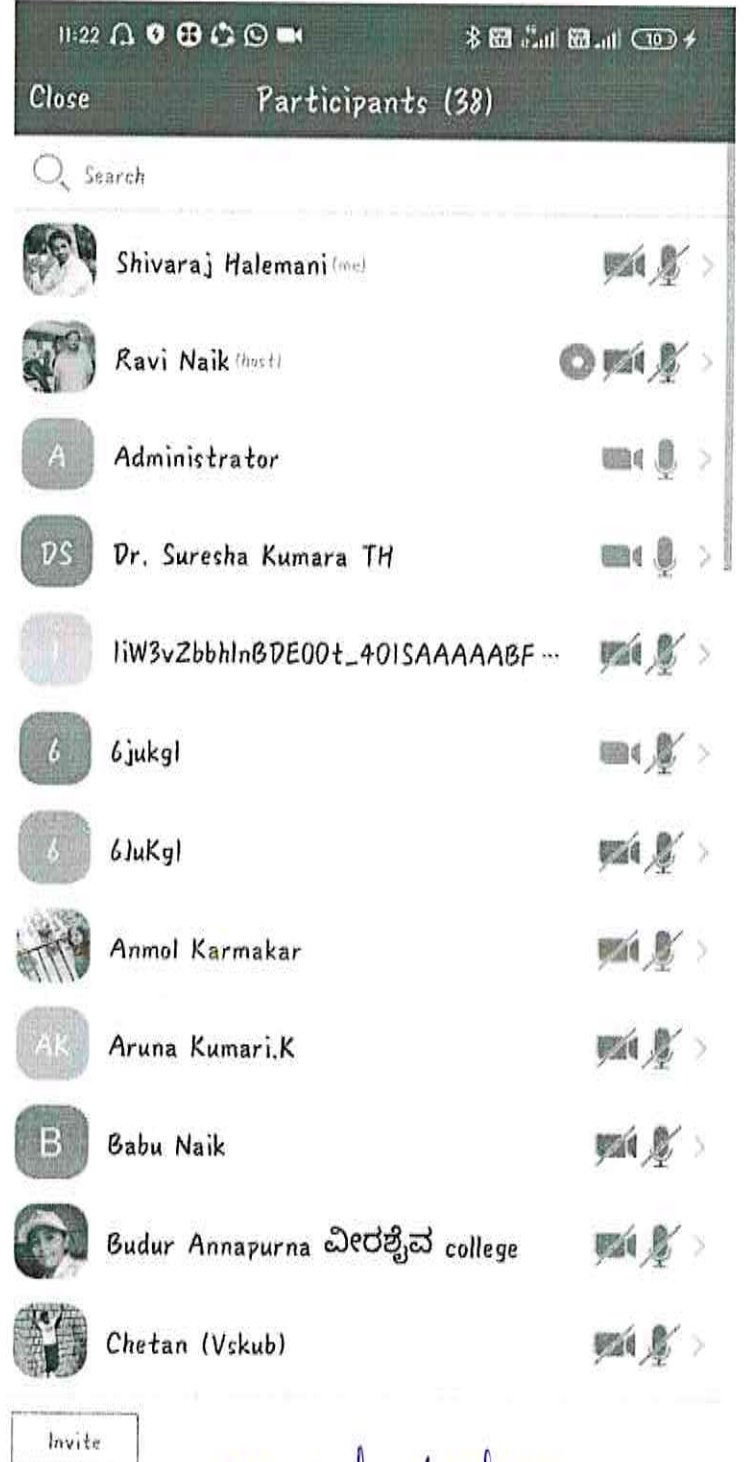

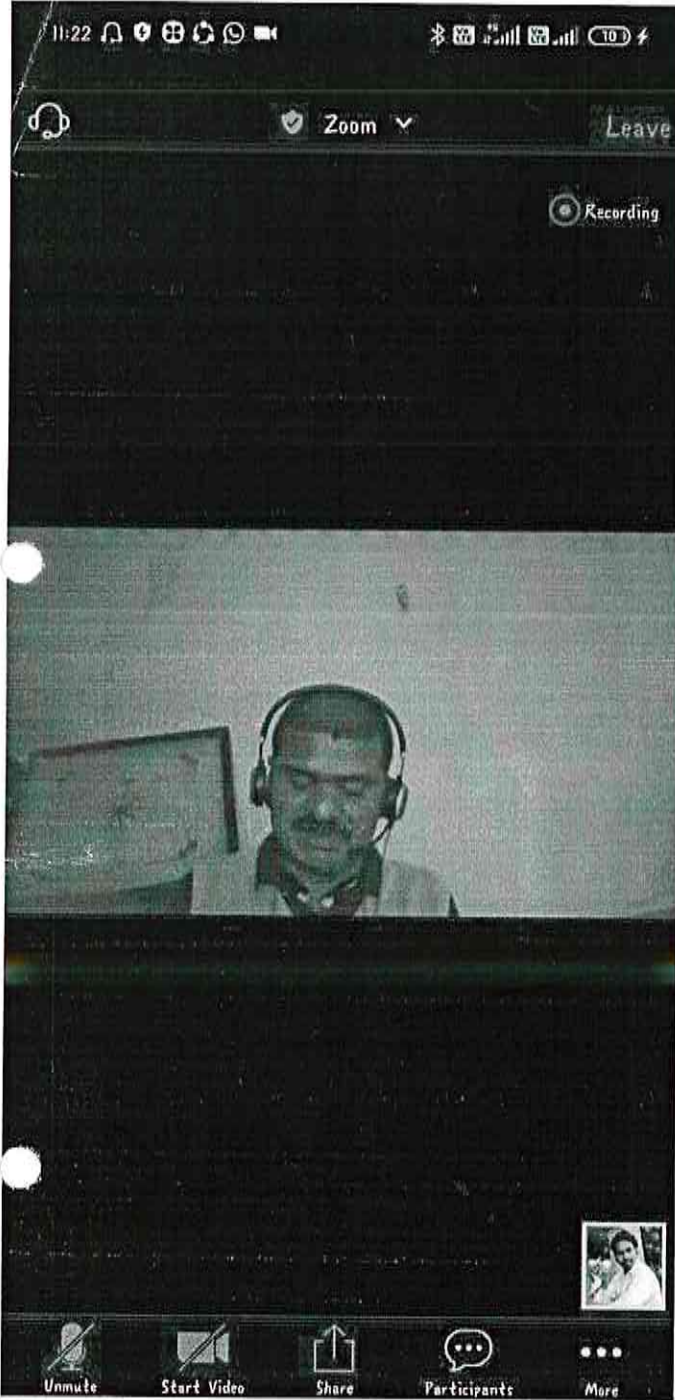

and in current situation, the antiviral drugs is in top priority. Antivirals are a class of medications that are used to treat viral infections. The development of antiviral drugs is a very complex process. Currently, around 50 drugs have been approved for human use against viruses such as HSV, HIV-1,...etc.

Prof. T. Suresh, Dept of Chemistry, VSK University, Prof. H. S. Bhojya Naik, Dept of Industrial chemistry, Kuvempu University, Prof. Nagaraja Naik, Dept of chemistry, University of Mysore and Dr. C. Sandeep, DST Young Scientist, NCBS, Bangalore were present as a guest of Board during this webinar.

On this occasion, Dr D Nagesh Sastry, HOD, and all the teaching staff of the chemistry dept participated in this webinar. Dr. T. R. Ravikumar Naik, Organizing secretary of this webinar executed the programme.

NATIONAL WEBINAR ON ROLE OF CHEMIST IN COVID-19

E-webinar national seminar organized under the theme “**ROLE OF CHEMIST IN COVID-19**” was inaugurated by respected principal of veerashaiva college Dr. G. Rajashekar on 05.06.2020. While addressing the participants he emphasised about how the pandemic COVID 19, as the world faces a stressful time with the rise of the Coronavirus pandemic, the message for all of us is clear-stay at home to avoid the spread of the virus. Before concluding his inaugural speech, he wished for the success of the webinar.

Dr. D. Nagesh sastry, HOD, Dept of chemistry, Veerashaiva College, Ballari made presidential remarks on this occasion. He said, evidence from several countries is giving us a clearer picture about this virus, how it behaves, how to stop it and how to treat it. We know that COVID-19 spreads fast, and we know that it is deadly-10 times deadlier than the 2009 flu pandemic. We know that the virus can spread more easily in crowded environments like nursing homes. Chemists were developing a process for COVID-19 a preventative vaccine or therapeutic prescription drug that would alleviate the severity of coronavirus disease 2019 (COVID-19).

The first technical keynote speech was delivered by Prof. K. M. Mahadevan, Registrar (Evaluation), University of Mysore, spoke on the topic “Synthesis and Development of new Quinoline hydride molecules for antiviral studies”. He said that, the role of a chemist in developing new antiviral drugs is a vital role in current research and it may helps for this covid-19. He motivated young talents for the research especially the synthesis of quinolines hydride molecules. Quinoline known for their antiviral activity and it is already in the market but this current drug is not so effective for COVID 19. On this occasion the hydride molecules may help for this pandemic disease.

**Chairman
IQAC**

**Veerashaiva College,
BALLARI - 583 104.**

In technical session I, Prof. K. S. Lokesh, Science Dean, Dept of chemistry, VSK University, Ballari, delivered his lecture on "Importance of antiviral drugs" The SARS-CoV-2 virus emerged in December 2019 and then spread rapidly worldwide, particularly to China, Japan, and South Korea. Scientists are endeavoring to find antivirals specific to the virus. Several drugs such as chloroquine, arbidol, remdesivir, and favipiravir are currently undergoing clinical studies to test their efficacy and safety in the treatment of coronavirus disease 2019 (COVID-19) in China; some promising results have been achieved thus far.

Prof. H. S. Bhojya Naik, Chief Guest of this webinar was discussed the current role of chemist in drug discovery. He mentioned that, more than 130 drugs are under experimentation to treat Covid-19, some may have the potential to stop the virus while others may help calm overactive immune responses that damage organs, according to a tracker maintained by the Milken Institute, an independent economic think tank in the US, "Right now, there is only one effective approach... which is to repurpose already approved drugs for other diseases if they can be used for Covid-19. One example is remdesivir," Ram Vishwakarma, director of the Indian Institute of Integrative Medicine, CSIR, Jammu, told PTI.

On this occasion, Dr. Susanta kumar Nayak from VNIT and Dr. Veera Reddy from IISER, Trivendrum were also participated as guest in webinar.

Sri Gonal Rajashekhar Goud, Chairman, Veerashaiva College, Ballari delivered concluding speech. He thank to all speakers, guests for gracing their important work and sharing with young talents during this occasion. He mentioned that, till to date, any Antibiotics do not work against viruses; they only work on bacterial infections. COVID-19 is caused by a virus, so antibiotics do not work. Antibiotics should not be used as a means of prevention or treatment of COVID-19. In hospitals physicians will sometimes use antibiotics

COORDINATOR

Chairman
IQAC

to prevent or treat secondary bacterial infections which can be a complication of COVID-19 in severely ill patients. They should only be used as directed by a physician to treat a bacterial infection. In this regard....The chemistry community is making their contribution to the global fight against coronavirus by investigation of new antiviral drugs.

Dr. T. R. Ravikumar Naik, Organizing secretary (RCC-2020) mentioned that, Chemists are helping to keep the lights on-literally. Of course, research and development has a critical role to play too for the investigation of new antiviral drugs. He presented vote of thank for all the speakers, guests and participants on behalf veerashaiva college, Dept of P. G. Studies in chemistry and Dept of Chemistry for this meaningful webinar.

Contemporary Prospective in Modern Zoology COVID 19 World

E-webinar national seminar organized under the theme “ Contemporary Prospective in Modern Zoology COVID 19 World “ was inaugurated by hon'ble vice chancellor of VSK University Prof Siddu P Algur on 01.06.2020. While addressing the participants he emphasised about how the pandemic COVID 19 disturbed the entire system of life of the globe. The undesirable harmful happenings on the earth are causing irreparable damage to human world can solely be attributed to anti nature and artificial luxurious way of life preferred by modern man, he pointed out. He suggested that it is a right time for man to prevent further devastation possible to occur by COVID 19 through living in harmony with nature. Before concluding his inaugural speech, he wished for the success of the webinar.

Sri Gonal Rajashekhar Goud, Chairman, Veerashaiva College, Ballari made presidential remarks on this occasion. He said, the COVID 19 which created havoc all over the world posed a sever challenge to medical scientists. Adoption of preventive measures and strict adherence to guidelines can only control the fast increasing rate of positive cases and causalities. The Corona Virus directly affected weaker sections of society whose existence is depended on every day earned wages. He advised to rejuvenate economically productive activities stopped from the first day of lockdown. The mankind may come out from the Jaw of COVID-19 by executing disciplined cautious life. The COVID-19 made infected people to suffer from psychological diseases like, anxiety, depression, mental pressure and ill-health. And others face the problem of socio-economic insecurity apart from fear. The world can attain success in its fight against COVID-19 through organized efforts. Dr Axel Brockmann, German scientist, NCBS, Bangalore, delivered key- note address on the topic “Towards Identifying Molecular Mechanism Underlying Advanced Behavioural Capabilities in Insects”. He pointed that more research needs to be under taken in two major areas such as; i. Molecular Neurobiology of complex behaviour and ii. Comparative biology of honey bees. Human beings cannot identify the functions of honey bees. Honey bee is advantageous for mankind from several points of view, he said.

Prof Ramani Bai, Madras University, Channai, spoke on the topic “Woman's Prospective in combating COVID-19 in first technical session. She said that women are serving on the front lines against Corona. They are labouring in vivid ways in different

capacities to mitigate Corona from the world. However, lockdown situations exacerbated risks of violence, exploitation, harassment of women as noticed in recent crises. She also made recommendations to be considered by all sectors of society, in order to prevent and respond to violence against women and girls during and after the public health crisis. She also covered about the economic impact of the pandemic and its implications for violence against women and girls in the long term. She suggested to rejuvenate economic and educational opportunities particularly for the betterment of women. To avoid the spread of virus it is necessary to maintain social distancing, use of sanitizer frequently, keeping migrants in quarantine for a fixed period. Before concluding her speech she reiterated that policy makers require to respond for women's unique needs, responsibilities and perspectives. Special attention need to be addressed to reduce exacerbating gender inequalities.

In technical session II, Prof. Muthuchelian, Pro Vice-chancellor, Dayananda Sagar University, Bangalore delivered his lecture on how climate change triggered the COVID-19 virus. Deforestation is increasing rapidly in the name of economic development. It led to the loss of habitat. Air pollution has increased the spread of Corona. He also talked about the role of particulate matter in the spread of pathogenic. He recommended certain measures to prevent community spread.

Dr Vijaykumar, chairman, Dept of Zoology, VSK University, Ballari spoke on the topic "Drug Discovery and Development". Dr V Sreenivas, Co-ordinator, Dept of PG Studies in Zoology, VSC, Ballari delivered a talk on the topic "Synthetic Approaches In Zoological Studies". Dr G Rajashekhar, Principal delivered concluding speech. Sri Siddaram G Mulaje, Co-ordinator, IQAC introduced the guests.

A One Day Workshop on “Office Etiquette and Resume Writing”

Report

A One Day Workshop on “Office Etiquette and Resume Writing” was organized by the Department of Computer Science on 15/2/2020. Mr. Prashanth Omkar, Dept. of Human Resources and Administration, Micro Haze, Dharwad, was invited as a Resource Person. He spoke about various essential aspects of personality development and pre-requisites to be fulfilled before appearing for interview. He also explained variety of skills in different sessions of the workshop. The staff and students participated in the workshop.

ABOUT THE VEERASHAIVA COLLEGE

Service to mankind is service to GOD is a noble saying. The Veerashaiva Vidyavardhaka Sangha was born in independence era to cater to the education needs of the people of this backward region. In the mean time, it has established Veerashaiva College, first of its kind in the entire region to provide higher education with a holistic approach in 1945. The College has provided eight types of meaning full service to mankind.

ABOUT THE DEPARTMENT OF CHEMISTRY

The department of Chemistry was established in 1950. Since then the department has maintained high academic standards in all aspects of teaching and learning. The faculties in the dept have a high academic profile. About 05 of them have assessed Ph.D degree and chair are pursuing their research. It has entered into collaboration with esteemed research centers and universities like IISc, T and Higher Education Institutions. The department of chemistry recognized the importance of research in developing future technologies and applications of chemical research for the present and future society.

PLACES OF INTEREST

There are many interesting places that are worth to visit in and around Ballari District.

ABOUT THE CONFERENCE

The Conference will feature different papers, invited and contributed lectures of all branches of Chemistry, Biology and Material Science. This programme will provide a platform for participants to share and discuss recent findings of their research covering all topics related to Chemical Biology, Material Science and related fields. We look forward to welcome, academicians, researchers and industrialists to participate in the Conference.

GUIDELINES FOR PAPER SUBMISSION

Authors are required to prepare papers as per the following guidelines.

- The entire paper should be typed in MS Word using Times New Roman 12 font with 1.5 line spacing and margins of one inch on all sides.
- Authors' affiliation and communication address should be given in the first page only.
- Abstract should be in single paragraph of page and should be between 300 - 400 words.
- Soft copy of the abstract with only filled in registration form, along with DD should be sent to the Conference Convener.

All accepted abstract & manuscript will be published in Conference Proceedings in Medicinal Chemistry Journal Barium Science Publication **Impact Factor**.

COORDINATOR,

Quality Assurance Cell (IQAC),

Two Days National Conference on Recent Advances in Chemical Biology & Material Engineering (RACBME)

The Seminar is inaugurated by the Vice Chancellor of VSK University Prof. Siddu Alur on 30/01/2020. After inaugurating the seminar, he delivered the inaugural speech in which he said that the highly improved technology has not always been used for good purposes. Sometimes, its misuse hampered the living beings. The interdisciplinary studies in Chemical Biology and Material Engineering have contributed a lot for the well being of the people. Such studies have helped to identify diseases in living organisms and in providing suitable medicines for their cure. Before concluding his speech he asked the scientists to focus on some other areas to find out solutions for some more health related problems. Sri Gonal Rajshekhar Goud, Chairman, College Governing body delivered presidential speech. While addressing the gathering he said that it is difficult to understand where the boundary of a particular science begins and ends as the interdisciplinary approach is gaining more importance in the recent past. He further said the tremendous progress achieved in the life of man is the result of interdisciplinary studies. Prof. Suresh Babu, Bengaluru University, delivered the key note address. The Principal of the College Dr.G.Rajshekhar gave interdictory speech. Sri Halakundi Sathishkumar and Dr.Doddabasavanagouda are present on the dais. Organizing Secretary Dr.T.R.Ravikumar Naik introduced the nature and objectives of the Seminar. Sri Megharaj.H welcomed the guests and gathering. Miss Nirupama and Ms.Soujanya executed the programme.

One Day Workshop on How to Prepare and Succeeded in Civil Service Examinations

The workshop was inaugurated by Dr Vijayabhaskar Reddy on 26.09.2019. While addressing the students he pointed out that the students who have aspirations to become IAS officers must work hard with utmost dedication and time consciousness. Sufficient preparation is essential for facing UPSC examinations successfully. Understanding the syllabus and time management are equally important for attaining success in any test. Development of Multifaceted personality must be given much importance during the course of study. The aspirants of IAS should concentrate on collecting information about current affairs from different sources including e-resources. Dr G Rajashekhar, Principal, delivered presidential speech. He insisted on the students to cultivate will power and develop self confidence to succeed in tough tasks. Doing any work with a good intention will certainly fetch us expected fruits. Failure in any attempt at any stage multiplies one's capacity. So that, we should not strip away from any task, responsibility and competition even if we fail in our attempts to pursue anything we desired. Sri Siddaram G Mulaje executed the programme. About 163 students got benefited by this workshop.

CALL FOR ABSTRACTS

The National Conference on Ecological Imbalances- Causes & Solutions EICS-2019 invites academicians, researcher scholar and other stakeholders to send original research abstracts & case studies.

WHO CAN PARTICIPATE?

Teachers, Research Scholars, Students of all life sciences, chemistry and other related subjects can submit their paper and attend the conference.

The selected full length papers will be peer reviewed and published in a single dedicated volume with ISBN number with appropriate page charges.

Prizes will be given to best poster and oral presentations.

REGISTRATION & ACCOMMODATION

Delegates : Rs. 500/-

Researchers Scholars : Rs. 300/-

Students : Rs. 200/-

Delegates are requested to make their own arrangements for their stay at Ballari during the conference. However, the accommodation will be made prior request with payment.

PAYMENT DETAILS

A/C No. : 10884101013588

IFSC Code : PKGB0010884

Br : RYMEC Campus, Ballari.
(Acknowledge the receipt)

IMPORTANT DATES

Abstract Submission : 10th March 2019

Notification of Acceptance : 12th March 2019

Last date of registration : 21st March 2019

through online

Conference Date : 21st and 22nd March 2019

Spot registration is also accepted

ABOUT VEERASHAIVA VIDYAVARDHAKA SANGHA, BALLARI

The Veerashaiva Vidyavardhaka Sangha, Ballari is an esteemed educational organization in the northern part of Karnataka. It was established in the year 1916 with a vision of providing education to all levels of the society in the entire district of Ballari including rural areas and neighbor districts of North Karnataka and Andhra Pradesh as well, by establishing 40 institutions starting from KG to PG with various programmes like Arts, Commerce, Science, Education Pharmacy, Engineering and Management courses are being offered with advanced teaching - learning technologies & resources. This is the high time to record its successful 100 years of journey with all leaps and bounds in imparting quality education in the educationally & economically backward region of North Karnataka.

ABOUT VEERASHAIVA COLLEGE

The Veerashaiva College is an esteemed institution was established in the year 1945 and managed by the V.V. Sangha, Ballari. In this region it was the only college on those days started various programmes of higher education like Arts, Science and Commerce to provide a quality education to this educationally & economically backward area of North Karnataka.

During its 75 years of academic journey it has gifted scholars & stalwarts to the Nation & Society, to name few of them are Late. Prof. U.R. Rao, a well known Space Scientist, Smt. Sudhamurthy, Chairman Infosys Foundation, Late. Dr. Y. S. Rajashchkar Reddy, Ex-chief minister of Andhra Pradesh, Dr. Syed Ibrahim, Nuclear Medicine Scientist USA and many more, which indicates the grate dedication and vision of imparting quality education by the College.

Currently, Veerashaiva College is marching ahead to achieve the goal and make the vision realized by providing higher education of par excellence and catering to the needs of the present generation in the context of competition and borderless world of globalization.

ABOUT THE DEPT OF ZOOLOGY

The Dept of Zoology was established in 1950 Prof. S. Saravaham was the founder of Dept of Zoology & Botany, later the Dept of Zoology separated in 1952 and taught Zoology as the major subject till 1965 then it

**Internal Quality Assurance Cell (IQAC),
VEERASHAIVA COLLEGE,
BALLARI-KARNATAKA.**

affiliated to Mysore University, Mysore. In the year 1965 when college affiliation shifted to Karnataka University, Dharwad, Zoology taught as major along with two minor subjects. In the year 1982 after the establishment of Gulbarga University, Gulbarga, College got affiliated to Gulbarga University, Gulbarga and three subjects system (CBZ) with equal importance introduced. Since 2010, the affiliation was changed to Vijayanagara Sri Krishnadevaraya University, Ballari and Zoology subject as one of the three optional subjects is continued.

Since its inception, the Dept of Zoology has been kept over the hurdles and established as a premier department in the college by having well equipped laboratory, astonishing museum, departmental library, LCD projector and other teaching - learning aids. The students who studied in this dept, many of them completed their higher education and placed at different positions in the society, presently Dept is catering education to more than 40 students.

ABOUT BALLARI

Ballari city, the headquarters of Ballari district is located nearly about 300 Km from Bangalore, spread mainly around two huge rocky granite hills, the Ballari Gudda (also referred as Fort Hill) and Kumbhara Gudda (also referred as Face Hill). The Ballari Gudda or Fort hill is also said to be the world's second largest monolithic hill. Ballari district is gifted with rich mineral resources, both metallic and non-metallic minerals.

PLACES TO VISIT IN BALLARI DISTRICT

Tungbhadra Dam is located just 6 km from Hospet. The dam is built across river Tungbhadra.

This dam is considered as a multipurpose dam. This dam is used for generation of electricity and irrigation of land.

Tungbhadra Dam has become a picnic or tourist spot over the years. The huge reservoir spread over 378 sq. km gradually attracted migratory and resident aquatic fowl. Small islands and mudflats provide shelter to migratory birds. About 200 species of birds have been

Tungbhadra Dam

recorded in and around TB Dam reservoir, and more than 20,000 migratory birds are found in winter in the reservoir. Apart from more than 90 fish species, the reservoir is home to the Smooth-coated Otter, Mugger, and Asian Giant Soft-shelled Turtle. Thus, the reservoir is considered as a biodiversity spot.

Hampi is situated on the banks of the Tungbhadra river. It is located at a distance of 75 km from Ballari and 353 km from Bangalore. Hampi is located within the ruins of Vijayanagara, once the flourishing capital of the Vijayanagar Empire. Hampi is also called "The City of Ruins". The Vijayanagara ruins are listed as the Group of Monuments at Hampi as a UNESCO World Heritage Site.

Hampi

Daroji Sloth Bear Sanctuary is located just 45 km from Ballari, spread over 5,587.30 hectares. This sanctuary was mainly created for the preservation of sloth bears. It is estimated that about 120 Sloth Bears are living in this sanctuary.

Daroji Sloth Bear Sanctuary

Ankasamudra Bird Sanctuary is located in Hageribommanahalli taluk, Ballari District. It is gaining popularity as a natural bird sanctuary. About 140 species of birds, both local and migratory including Rose Stardlings, painted storks, open billed storks, Northern Shovelers, Northern Pintails, Sand pipers, cormorants, parakeets, egrets, ibis, herons among others are visiting every year. It is considered as one of the avian paradise of Ballari district.

Ankasamudra Bird Sanctuary

ABOUT THE SEMINAR

The conference is intended to address on the burning issues of the world like global warming, ecological imbalances, biodiversity depletion, climate change, seasonal variations, pollution etc. by inviting scientists, scholars, academicians and intellectuals from different parts of the state. The conference would also discuss about the future strategies to control these evils and workout the plans or solutions to sustainable maintenance of environment.

SCOPE

The two days national conference would focus on creating awareness among college students, teachers and public. This would provide platform for interaction among researchers, Scientists, Policy makers, Academic and NGOs and address the issues related to recent developments in conservation of nature and strategies to avoid/ prevent ecological imbalances. Paper presentations, poster presentations are also incorporated in the seminar along with expert lectures. This would help in developing a stronger network among experts and institutions in order to achieve modalities for efficient management of environment & biodiversity.

THEMES

1. Conservation of environment and sustainable management of ecosystems.
2. Conservation of biodiversity.
3. Understanding the effects of ecological imbalances on human being and biodiversity.
4. Understanding the causes of ecological imbalances & finding the solutions.
5. Prime focus on anthropogenic interference on biodiversity and environmental pollution.

TOPICS OF THE CONFERENCE

- ◆ Aquatic Ecosystem
- ◆ Weed Infestation and Management
- ◆ Wild life Management
- ◆ Evaluation of Ecosystems and their Services
- ◆ Technological Interventions for Ecosystem Restoration
- ◆ Policy Options for Eco-restoration
- ◆ Climate change and Bio-diversity
- ◆ Environmental Quality
- ◆ Livestock Management

Inauguration Programme of National Conference

A two day Self-Financed National Conference is organized on 21st & 22nd March, 2019 under the theme "Ecological Imbalances - Causes & Solutions" by the Department of Zoology. Prof.B.B.Hosetti, Department of Zoology, Kuvempu University, Shivamogga, inaugurated the conference and presented key note address. While addressing the gathering, he explained the causes of environmental degradation. He opined that the clean environment is very essential for human life. If man has tried to spoil the environment it would pose a severe threat to his life in future days, he said. The present society can become pollution free only when at least a few people in each village and locality voluntarily take part in conservation of environment like Padma Shri Awardee Saalumarada Thimmakka. He suggested for proper use of natural resources. The founder of Appiko Movement Dr.M.R.Pandu Ranga Hegde also spoke on this occasion. He said, Human Life is impossible without air, water and soil. These capitals are quiet essential and inevitable for man's life. Unfortunately, the modern man has involved in destroying the capital resources for his bad purposes. These resources cannot be produced by man. Therefore, all of us should make use of natural resources in a proper way without any greed. Then only the nature can fulfill the necessities of our life, otherwise it will take revenge against us. Shri Gonal Rajashekhar Goud, Chairman, College Governing Council, presided over the function. In his presidential remarks, he stated about the need of adaptation of the attitude, life style, simplicity etc., of our ancestors in order to reduce the damage that has been made by the modern man to the nature. A small percentage of people in our society who have greed, are exploiting a large quantum of natural resources for amassing money and property. This kind of activity having bad intention led to several kinds of miseries in human life. Now it is right time for man to awake and stop doing damage to natural deposits further. Prof.M.R.Nagaraj also spoke on this occasion. Shri Halakundi Satish Kumar is present on the dais. Dr.G.Rajashekhar, Principal, proposed vote of thanks. Three plenary sessions have been organized in the Conference. Mr.Panduranga Hegde delivered his talk on "Forest Destruction & It's Impact on Ecological Imbalances". In Technical Session-II, Dr.Balagangadhar spoke on the Role of Environmental Monitoring in Pollution Control". The Third Technical Session is handled by Prof.M.R.Nagaraj, a renowned science writer. He delivered his talk on "Bio-diversity and Diet". About 71 delegates presented their research papers and 27 delegates participated in poster presentation. Dr. G Manohar, Organizing Secretary, delivered welcome speech. Ms.Shirley Jones compeered the programme. Dr.V.Srinivas introduced the Chief Guest. Ms.Nirupama presented invocation.

A NAAC sponsored two day National Seminar was organized by Veerashaiva College, Ballari, under the theme "Enhancement of Quality in Higher Education – The Role of IQAC" on 15th & 16th February, 2019.

The opening ceremony was held on 15th February, 2019 at 10.00am. It was inaugurated by Prof. H.A. Ranganath, Former Director, NAAC, Bengaluru by lighting the lamp. In his inaugural speech, he spoke about the role of IQAC to improve quality in Educational Institutions. His talk covered a wide range of innovative and best practices through which the institution can transform the education system towards quality improvement. He has also spoken on the quality indicator frame work. In his concluding remarks, he touched upon the barriers to quality achievement and remedies. Shri Gonal Rajashekhar Goud, Chairman, Veerashaiva College, Ballari, presided over the function. Dr.G.Rajashekhar, Principal, delivered the introductory speech. Shri H N Kotresh & Shri Halakundi Satish Kumar, Members, were present on the dais.

In technical session-I, Dr.L.N.Seshagiri delivered his lecture on the topic "Assessment & Accreditation – New Frame Work". He gave an elaborative description on each & every parameter. He portrayed the revised methodology or process of assessment and accreditation which is being adapted from July, 2018. In his lecture, he has covered key aspects of assessment such as QIF, the assessment process, procedures, grading system, fee structure & other financial implications. Preparation of SSR, data required for SSR, submission of IIQA & AQAR etc. In IV session he discussed some of the healthy, innovative and best practices by illustrating examples & grade indicators. Dr.B.S.Srikanta, another Resource Person spoke on the topic "Higher Education in India – Problems & Prospects : He briefed about the history of Higher Education in India and how it has transformed through the time and problems aroused at the levels of teaching-learning, evaluation, research, administration, finance etc. He placed before the participants the GER of a few countries and he did not forget to present scenario of Higher Education in India. He also emphasized that there is a good prospects for Higher Education in India since world's largest population of young people are in the age group of 15 to 24 years (18% of all Indians). At the end of technical sessions, he gave some valuable suggestions for the creation, continuity or sustenance and maintenance of equality in Higher Education Institutions.

**Chairman
IQAC**

**Veerashaiva College,
BALLARI - 583 104.**

In III technical session, he spoke on another quality enhancement topic – IQAC as a tool in quality, enhancement and sustenance. He stressed upon the crucial role of IQAC in monitoring and supervising teaching, learning, evaluation, infrastructure development research, finance ISR and other activities. The participants presented their papers on both the days of seminar in separate halls. The chairpersons conducted paper presentation sessions smoothly and they made comments in all the papers at the end of each session. The books containing abstracts of the papers have been distributed to the presenters along with certificates.

The valedictory function was held on 16/02/2019 at 04.30pm. Prof. Tulasi Mala, Registrar (Academic), V.S.K. University, Ballari, delivered valedictory speech in the closing ceremony. She said that expansion of advanced learning facilities and inclusion of disadvantaged groups would bring quality in education. She informed the teachers to play a decisive role in developing language skills, communication skills and technical expertise among the student community. She also suggested to pay more attention to the improvement of quality in the institutions of Hyderabad – Karnataka region, since the learning capacity of students is low.

Shri Gonal Rajashekhar Goud, Chairman, Veerashaiva College, Ballari and SBBN College of Education, Hosapete, presided over the function. In his presidential remarks, he insisted upon the need of changing policies and strategies of education in accordance with the demands of time. Then only education can contribute to human development. Shri Akki Shivakumar, Chairman, A.D.B. First Grade College, Harapanahalli, was present on the dais.

A total 152 teacher participants and 37 research scholars from States like Goa, Andhra Pradesh, Telangana and Karnataka participated in two days national seminar. All the participants actively involved in deliberations on both the days. About 48 papers were presented in paper presentation sessions. The impact of technical sessions and other deliberations on the participants was indelible.

The Management, the Principal, the Staff and Students expressed a sincere gratitude to Prof.S.C. Sharma, Director, NAAC & Dr.Latha Pillai, Advisor, Southern Region, NAAC and the whole staff of NAAC for having provided us an opportunity with financial assistance to take up such a mega event at our College. We whole heartedly appreciate the initiations of NAAC in respect of improvement of quality at Higher Educational Institutions of our Country. The resource persons and the paper presenters have expressed their appreciative

feelings for the financial initiative taken by NAAC for organizing this kind of National Seminar in order to be helpful to many Higher Educational Institutions which have been struggling hard in improving the quality in various aspects of education. Organization of this Seminar in Hyderabad-Karnataka region helped the Teachers to acquire sufficient information about the measures to be adapted for the improvement of quality and to initiate activities for capacity building among the students. In this regard, we the Teachers of this region are ever grateful to NAAC, Bengaluru.

One Day State Level Workshop

held under the theme - Research Methodology and Project Work

A one day state level workshop is held on 05.02.2019 by the Department of Sociology under the theme "Research Methodology and Project Work". It is inaugurated by Prof.C.B.Honnu Siddhartha, Registrar (Evaluation), V.S.K. University, Ballari, by lighting the lamp. While addressing the participants, he opined that the research would bring into light the undiscovered things or objects through collecting appropriate and complete information by administering scientific methods. He instructed the students and young research scholars to stay away from the influence of values so as to maintain objectivity. It is necessary to form generalized principles on the basis of consolidated information. He said, research should focus on the current social problems. Prof. Basavaraj S Benni, Dean, Social Science, V.S.K. University, Ballari, is invited as a resource person. He has delivered lectures on different topics relating to research - The concept of research and its importance, research design, collection of data, analysis of data, derivation of results and various steps in report writing.

Shri Gonal Rajashekhar Goud, Chairman, College Governing Council, presided over the function. In his presidential speech, he spoke about the dimensions of research. He expressed dissatisfaction over the decline of quality in research. Only good quality research could provide solutions to man's problems. The researchers should focus more on undiscovered things, he suggested. Before concluding his speech, he also suggested to use research knowledge for the progress of society. Dr.G.Rajashekhar, Principal, welcomed the guests and the participants. Shri Halakundi Satish Kumar, Member, CGC, is present in the inaugural function. Sri Siddaram G Mulaje while conducting the programme delivered and introduced the nature and objectives of the workshop. Dr.H.B.Jalajakshi, proposed vote of thanks. Kum.Poornima presented prayer song.

Invitation to one day workshop to be held on 5.2.2019 at 9.30am at Veerashaiva college, Ballari

We are pleased to inform you that the dept. of sociology of our college is organizing one day work shop on Research Methodology and Project Work on 5.2.2019 (Thursday) in seminar hall . The work shop will be inaugurated by prof C.B Honnu Siddhartha, Registrar (Evaluation) VSK University, Ballari. Prof Basavaraj. S Benni, Dean of social science , is invited as a resource person. He delivers lectures authoritatively on research methodology.

This work shop aims at providing in depth knowledge about research and its techniques , data collection and analysis , report writing etc.

Also, it helps the teachers to develop interest towards research . At present, the research has become an integral part of teaching and learning in HEIs.

In this regard, we request all the principals of degree colleges affiliated to VSK University , Ballari to depute the teachers of sociology and social science for one day workshop on above mentioned date .

We anticipate your co-operation in this matter.

ಸಂಜೆ ೧೯: ೫.೨.೨೦೧೯

ಸಂಶೋಧನೆಗೆ ಅಂತ್ಯವಿಲ್ಲ - ಪ್ರೊ. ಹೊನ್ನು ಸಿದ್ಧಾರ್ಥ

ಬಳ್ಳಾರಿ, ಫೆ.೨: ಸಮಂಜಸ ಮತ್ತು ಪರಿಪೂರ್ಣ ಮಾಹಿತಿ ಸಂಗ್ರಹಣೆಯಿಂದ ಉದ್ದೇಶಿತ ವಿಷಯದ ಕುರಿತು ಪತ್ರಿಕೆಗಳಿಗೆ ಇರುವ ಅಂಶಗಳನ್ನು ಸಂಶೋಧನೆ ಬೆಳಕಿಗೆ ತರುತ್ತದೆ ಎಂದು ವಿಜಯನಗರ ಶ್ರೀ ಕೃಷ್ಣದೇವರಾಯ ವಿಶ್ವವಿದ್ಯಾಲಯದ ಮೌಲ್ಯಮಾಪನ ಕುಲಸಚಿವರಾದ ಶ್ರೀ ಹೊನ್ನು ಸಿದ್ಧಾರ್ಥ ಅಭಿಪ್ರಾಯ ಪಟ್ಟರು.

ಸ್ವಯಂ ವೀರಶೈವ ಮಹಾವಿದ್ಯಾಲಯದ ಸಮಾಜಶಾಸ್ತ್ರ ವಿಭಾಗದಿಂದ ಸಂಶೋಧನೆ ವಿಧಾನ ಮತ್ತು ಯೋಜನಾಕಾರ್ಯ ಶಿಕ್ಷಕೆ ಆಡಿ ಆಯೋಜಿಸಿದ ಒಂದು ದಿನದ ಕಾರ್ಯಾಗಾರವನ್ನು ಜ್ಯೋತಿ ಬೆಳಗಿಸಿ ಉದ್ಘಾಟನಾ ಭಾಷಣ ಮಾಡಿದ ಅವರು ವಾಸ್ತವಿಕತೆ ಕುರಿತು ವೈಜ್ಞಾನಿಕ ವಿಧಾನಗಳನ್ನು ಅಳವಡಿಸಿಕೊಂಡು ತಟಸ್ಥ ಮನೋಭಾವದಿಂದ ಸಂಶೋಧನೆ ಕೈಗೊಳ್ಳಬೇಕೆಂದು ಸೂಚಿಸಿದರು. ಹಲವು ಸತ್ಯಗಳನ್ನು ಕ್ರೋಢೀಕರಿಸಿ ಸಾಕ್ಷಿ ಆಧಾರಿತ ಸಾಮಾನ್ಯಕೃತ ತತ್ವಗಳನ್ನು ರೂಪಿಸಬೇಕು. ಸಮಾಜವನ್ನು ಕಾಡುತ್ತಿರುವ ಜ್ವಲಂತ ಸಮಸ್ಯೆಗಳ ಬಗ್ಗೆ ಸಂಶೋಧನೆ ಯಲ್ಲಿ ಹೆಚ್ಚು ಪ್ರಾಮುಖ್ಯತೆ ಕೊಡಬೇಕು. ಸ್ತ್ರೀ ಸಮಸ್ಯೆಗಳ ಬಗ್ಗೆ ವಾಸ್ತವಿಕ ನೆಲೆಗಟ್ಟಿನಲ್ಲಿ ಸಂಶೋಧನೆ ಸಾಗಬೇಕೆಂದು ಸೂಚಿಸಿ ಹೇಳಿದರು. ಸಂಪನ್ಮೂಲ ವ್ಯಕ್ತಿಗಳಾಗಿ ಆಗಮಿಸಿದ ಪ್ರಜ್ಞಾಸವರಾಜ ಎಸ್.ಬೆಳ್ಳೆ ಚರ್ಚೆ ಪ್ರಯೋಗಗಳ ಮೂಲಕ ಸತ್ಯವನ್ನು ಹುಡುಕಿ ಚರಿತ್ರೆಯನ್ನು ವೈಜ್ಞಾನಿಕ ದೃಷ್ಟಿಕೋನದಿಂದ ವ್ಯಾಖ್ಯಾನ ಮಾಡಬೇಕು ಎಂದರು. ಸಂಪ್ರದಾಯ ಮತ್ತು ವೈಯಕ್ತಿಕ ತಿಳುವಳಿಕೆ ಪರಿಣಾಮಗಳ ಬಗ್ಗೆ ಜನರಲ್ಲಿ ಅರಿವು ಮೂಡಿಸಿ ಅವುಗಳ ನಿವಾರಣೆಗೆ ಸಂಶೋಧನೆ ನೆರವಾಗಬೇಕೆಂದು ಹೇಳಿದರು.

ಸಭೆಯ ಅಧ್ಯಕ್ಷತೆ ವಹಿಸಿ ಮಾತನಾಡಿದ ಕಾಲೇಜಿನ ಆಡಳಿತ ಮಂಡಳಿಯ ಅಧ್ಯಕ್ಷರಾದ ಶ್ರೀ ಗೋನಾಳ ರಾಜಶೇಖರ ಗೌಡ, ಸಂಶೋಧನೆ ಮಾನವನ ಇತಿಹಾಸದಷ್ಟೇ ಪ್ರಾಚೀನವಾದದ್ದು ಎಂದರು. ಸಮಾಜ ಹುಟ್ಟಿದಾಗಿನಿಂದ ಭೌತಿಕ, ಸಾಂಸ್ಕೃತಿಕ ಹಾಗೂ ಸಾಮಾಜಿಕ ಜಗತ್ತಿನ ಆಗು ಹೋಗುಗಳನ್ನು ಹೆಚ್ಚು ತೆಗೆದು ಅರ್ಥಮಾಡಿಕೊಳ್ಳಬೇಕು ಎಂಬ ಕುತೂಹಲ ಮತ್ತು ಜಿಜ್ಞಾಸೆ ಮಾನವನಲ್ಲಿ ಮೂಲತಃ ಇರುವುದು.

ದುಕೊಂಡು ಬಂದಿದೆ. ಪೂರ್ವದ ದಿನಗಳಲ್ಲಿ ಪ್ರಕೃತಿಯ ಮತ್ತು ಸಾಮಾಜಿಕ ಪ್ರಕ್ರಿಯೆಗಳನ್ನು ತತ್ವಶಾಸ್ತ್ರೀಯ ದೃಷ್ಟಿಕೋನದಿಂದ ಅರ್ಥಮಾಡಿಕೊಳ್ಳಲಾಗುತ್ತಿತ್ತು. ಹಾಗಾಗಿ ಆ ಜ್ಞಾನ ಸ್ವೀಕಾರ ಹಾಗೂ ರೀತಿ, ಮಾನವನ ಬುದ್ಧಿಕರ ವಿಕಾಸದಿಂದ ಪ್ರಕೃತಿಯನ್ನು ನೋಡುವ ನೋಟ ಬದಲಾಯಿತು. ಅಲ್ಲಿಂದ ವಿಜ್ಞಾನಗಳು ಜನ್ಮ ತಾಳಿದವು. ವೈಚಾರಿಕತೆ ಮತ್ತು ವಸ್ತುನಿಷ್ಠತೆ ಆಧಾರಿತ ವೈಜ್ಞಾನಿಕ ವಿಧಾನಗಳ ಬಳಕೆ ಪ್ರಾರಂಭವಾಯಿತು. ಈ ಹಂತದಿಂದ ಸಂಶೋಧನೆ ತಿರುವು ಪಡೆದುಕೊಂಡು ಹೊಸ ದಿಗಂತದತ್ತ ಸಾಗಿ ಬಂತು. ಆ ಸಂಶೋಧನೆಯ ಪ್ರತಿಫಲವಾಗಿ ಇಂದು ಮಾನವನ ಬದುಕು ಎಲ್ಲಾ ಕ್ಷೇತ್ರಗಳಲ್ಲಿ ಸಾಕಷ್ಟು ಸುಧಾರಣೆ ಕಂಡಿದೆ. ಜೀವನ ಸುಧಾರಣೆಗೆ ಹಾಗೂ ರೋಗರೂಪಗಳ ನಿವಾರಣೆಗೆ ಸಂಶೋಧನೆಯ ಕೊಡುಗೆ ಅನನ್ಯವಾದುದು. ಎನ್‌ಸೈನ್, ಗೆಲಿಲಿಯೋ, ಹಕ್ಲೆಲೇ, ಫ್ರಾನ್ಸಿಸ್ ಬೇಕನ್, ಬಾರ್ಲೋಸ್ ಡಾರ್ವಿನ್ ಮುಂತಾದ ವಿಜ್ಞಾನಿಗಳು ಸಂಶೋಧನೆಗೆ ಮೆರಗು ತಂದು ಕೊಟ್ಟರು ಎಂದು ನೆನಪಿಸಿದರು. ಸಂಶೋಧನೆಯ ಗುಣಮಟ್ಟ ಕುಸಿಯುವುದರಿಂದ ಆಶಾದಾಯಕ ಬೆಳವಣಿಗೆ ಆಲ್ಲ ಎಂದು ವಿಷಾದ ವ್ಯಕ್ತಪಡಿಸಿದರು. ಅತ್ಯುತ್ತಮ ಸಂಶೋಧನೆ ಮಾತ್ರ ನಮ್ಮ ಎಲ್ಲಾ ಸವಾಲುಗಳಿಗೆ ಉತ್ತರಿಸಿ ಪರಿಹಾರ ನೀಡಬಲ್ಲದು. ಆದ್ದರಿಂದ ಸಂಶೋಧ

ಕರು ಇದುವರೆಗೆ ಪತ್ರಿಕೆಗಳಿಗೆ ಇರುವ ವಿಷಯಗಳತ್ತ ಗಮನ ಹರಿಸಬೇಕೆಂದು ಸಲಹೆ ನೀಡಿದರು. ನಮ್ಮ ಸಮಾಜವನ್ನು ಕಾಡುತ್ತಿರುವ ಸಮಸ್ಯೆಗಳಿಗೆ ಪರಿಹಾರ ಸೂಚಿಸುವ ಸಂಶೋಧನೆಗಳನ್ನು ಇಂದಿನ ಶಿಕ್ಷಣ ಕೈಗೊಳ್ಳಬೇಕು.

ಸಂಶೋಧನೆಯಿಂದ ಸಿಗುವ ಜ್ಞಾನವನ್ನು ಪಡೆದುಕೊಂಡು ಸಮಾಜದ ಸಮಗ್ರ ಪ್ರಗತಿಗೆ ಶ್ರಮಿಸಬೇಕೆಂದು ಕಾರ್ಯಾಗಾರದ ಛಾಪವಹಿಸಿದ ಉಪನ್ಯಾಸಕರಿಗೆ ತಿಳಿಸಿದರು. ವಿದ್ಯಾರ್ಥಿಗಳು ಕೂಡಾ ಸೃಜನಾತ್ಮಕ ಮತ ವಿಶ್ಲೇಷಣಾತ್ಮಕ ಕೌಶಲ್ಯ ಬೆಳೆಸಿಕೊಂಡು ಮಹಾನ್ ಸಾಧಕರಾಗಬೇಕೆಂದು ಹಾರೈದರು. ಆಡಳಿತ ಮಂಡಳಿಯ ಸದಸ್ಯರಾದ ಶ್ರೀ ಹಲಕುಂಡಿ ಸತೀಶ್ ಕುಮಾರ ಉಪಸ್ಥಿತರಿದ್ದರು. ಕಾಲೇಜಿನ ಪ್ರಾಚಾರ್ಯರಾದಾ.ಜಿ.ರಾಜಶೇಖರ ಅತಿಥಿಗಳನ್ನು ಸ್ವಾಗತಿಸಿದರು. ಶ್ರೀ ಸಿದ್ಧರಾಮ ಜಿ.ಮುತ್ತುಪ್ಪಾಸ್ವಾಮಿ ಭಾಷಣ ಮಾಡಿ ಕಾರ್ಯಕ್ರಮವನ್ನು ನಿರೂಪಿಸಿದರು. ಡಾ.ಹೆಚ್.ಬಿ. ಜಾತ್ರೆ ಮಂದನಾರ್ಪಣೆ ಮಾಡಿದ ಕುಮಾರಿ ಪೂರ್ಣಿಮಾ ಪ್ರಾರ್ಥನೆ ನಡೆಯಿತು.
