** A candidate is considered qualified if the marks
secured are greater than or equal to the qualifying
marks mentioned for the category for which valid
category certificate, if applicable, is produced along
with this scorecard.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

A One Day Workshop

on

“How to Prepare and Succeeded in
Civil Service Examinations”

The workshop was inaugurated by Dr Vijayabhaskar Reddy

The workshop was inaugurated by Dr Vijayabhaskar Reddy on 26.09.2019. While addressing the students he pointed out that the students who have aspirations to become IAS officers must work hard with utmost dedication and time consciousness. Sufficient preparation is essential for facing UPSC examinations successfully. Understanding the syllabus and time management are equally important for attaining success in any test. Development of Multifaceted personality must be given much importance during the course of study. The aspirants of IAS should concentrate on collecting information about current affairs from different sources including e-resources. Dr G Rajashekhar, Principal, delivered presidential speech. He insisted on the students to cultivate will power and develop self confidence to succeed in tough tasks. Doing any work with a good intention will certainly fetch us expected fruits. Failure in any attempt at any stage multiplies one's capacity. So that, we should not strip away from any task, responsibility and competition even if we fail in our attempts to pursue anything we desired. Sri Siddaram G Mulaje executed the programme. About 163 students got benefited by this workshop. The schedule of the workshop is as follows:-
