Action Taken Report- 2020-21

Sl.No.	Plan of Action	Action Taken
1	Entering into MOUs with some more HEIs	Department of P.G. studies on chemistry entered into MOU with the department of chemistry Vijayanagara College, Hospet on 06.03.2021. On the same day the Institution entered into one more MOU with ASM college for women, Ballari.
2	Implementation of Teacher Ex-change Programme	IQAC insisted all the teachers to implement teacher ex-change programme effectively by joining hands with teachers of other local colleges with which MOU was established. Offline and online classes were organized under the this scheme. It has benefited the students particularly during Carona period. The response of the students was quite excellent
3	Students exchange programme	Implementation of the scheme received a very good response from students' communittee. It has provided an opportunity for students to listen to the lecturers of different teachers working in local colleges. A maximum number of students got benefited by this facility when online classes have been conducted during lockdown period. The students were deputed to local colleges for attending offline classes after drastic reduction in Carona Cases. This scheme became more appropriate and effective exclusively in the situation were gathering of people was strictly prohibited
4	Parents teachers meeting	PTA meeting was held on 10.03.2021 in which a special talk was arranged by inviting an expert from Bangalore. He educated parents about their crucial role in moulding the personality of their children and creating favourable environment for study in family. This meeting helped a lot in wiping out the tension built up among the students and parents during pandemic period. Teachers and the resource persons answered the questions raised by parents and solved study and upbringing related problems.
5	Encouragement for organizing workshops and seminars	One day offline National Seminar was organized by the department of sociology on 03.02.2021 under the theme " Contributions of Babu Jagajeevan Ram to Social Equality and Social Justice". This seminar was sponsored by Babu Jagajeevanam Research Centre, KSOU, Mysore. Department of Bio. Technology has organized National E-webinar under the theme " Role of Bio. Technology in sustainable Development". The department of Computer Science has organized one day work shop for students. A one day workshop for students was also organized by the department of Bio. Technology under the theme " Hands on training"
6	Celebration of Sports Day	Sports day was celebrated on 11.01.2021. About 186 students participated in different events. The winners were honoured with medals and certificates.

Principal

7	Orientation for newly enrolled students	Orientation programme was arranged for newly enrolled students on 24.12.2020. In this programme valuable and essential information regarding physical facilities, academic facilities, learning resources, supportive services, examination system, internal tests etc disseminated to students.
8	Organisation of special talks.	These talks were organized by inviting subject experts from outside to provide supplementary knowledge on selected topics prescribed in the syllabus.
9	Efforts to Continue already introduced certificate courses and to activate a new course	Adequate support and facilities have been provided to the departments to shoulder the responsibility of successful implementation of certificate courses in tourism studies, human rights and tally. To develop concern among youngsters towards growing of trees and protection of forest an initiation was made by introducing certificate course in social forestry through the department of Botany. Sri Anand Singh then the forest Minister GOK was invited as a chief guest. He applauded the initiation taken by the institution in providing an additional opportunity to students to acquire knowledge in social forestry.
10	Feedback collection from all the stake holders and action taken	The responsibility of collecting and analysing feedback was assigned to the convener of feedback committee Smt Rajashree Patil. The result of feedback was discussed in the IQAC meeting headed by the Principal and Action was taken for reformation of certain aspects on which the response of stake holders was average and dissatisfactory.
11	AAA	A team of experts is constituted under the chairmanship of Prof. S. Revanasiddappa, Associate professor, Department of Political Science for assessing academic and administrative performance of the institution for the year 2020-21. The other two members are Prof.G.Mallana Gouda, Assistant Professor, Department of Zoology and Prof. Ashok Omkar, Assistant professor, Department of Commerce. The team had undertaken AAA of the college on 20.10.2021 and submitted report with a list of recommendations. The recommendations made by AAA team were discussed in the meeting held on 10.11.2021 and resolved to implement in next academic year 2021-22.
12	Promotion and continuation of student centric learning	Newly recruited faculty were briefed about innovative teaching methods by IQAC co-ordinator and senior faculty in the department to make learning more effective and student centric. They are suggested to focus on participatory learning, interactive method and group discussion method.
13	Organization of COVID vaccination camp	Free COVID vaccination camp was organized on 06th and 7th July, 2021 for staff, students and local citizens.
14	Result analysis and action taken	IQAC has convened a meeting under the chairmanship of the principal to discuss about UG and PG results of 6th and 4th semester announced in October 2021. The percentage of result of all UG programmes is very good. But the percentage of result PG studies in chemistry is just 50%. The principal informed the co-ordinator and staff to take necessary measures for the improvement of result.
